Dear Harold,

The article "F.B.I.

Tried To Buy Spy Book recalls the cold publishing history of Whitewash. Although Sullivan is mentioned, DeLoach was the F.B.I. "Media Man".

The Newsweek article on Schweiker is a perfect symbol of Establishment Media attitudes toward anyone who questions the U.R. Nato Time and Newsweek never carried a line on Schweiker's Report. The little he did was vited too much for the same Sausi Set.
