Memorandum to Mr. Conrad
Re: ASSASSINATION OF
PRESIDENT JOHN F. KENNEDY,
11/22/63, DALLAS, TEXAS
62-109060

FBI Dallas has telephonically advised that Lieutenant Carl Day of the Dallas Police Department stated today that all cartridge cases recovered by the Police Department have been turned over to the Bureau. These, of course, are the ones described above. This information is being furnished the Commission by letter. Lieutenant Day also advised that it is very possible that a bullet or casing to Oswald's revolver was not found as such cartridge cases recovered were found by individuals in the area and turned over to the Dallas Police Department.

It is to be noted that the Tippit wurder case is strictly a local one under the jurisdiction of the Dallas Police Department.

ACTION: None, for information.
