Dear Mr. Weisberg:

This is in reply to your letter of January 18, 1977.

Enclosed are a copy of our letter of January 17, 1977, to you and copies of the Warren Commission file relating to James Tague. As you will note, our letter of January 17 does not contain a promise to prepare and furnish you lists of records that were withheld from you. It does state that copies of records relating to the material we have denied to you since the 1970 review will be furnished to you. These records consist of our correspondence with you and your deposit account records.

Copies of all records on the lists of records made available in the calendar years 1974 and 1975 have been furnished to you.

Sincerely,

(MISS) JANE F. SMITH  
Director  
Civil Archives Division
