

January 14, 1969

Harold,

Enclosed you will find the Police files on Vallee, and another typewritten sheet on which I've put the information that was gotten from the probation files. An interesting thing is that he lists as a reference a Norbert Jayka at 4817 West Montana Street. In the Chicago phone book there is no ~~Mr~~ Norbert Jayka, but there is a Norbert Jayko who lives at ~~4~~ 4817 North Nashville. A little too close to be coincidental.

As it has been related to me, which of course is merely speculation, in the original arrest he was charged with ~~1~~ plotting to assassinate the President, he gave the FBI information, and they reduced the charge to ~~1~~ unlawful use of a weapon. Another curious thing about this is that he was arrested in May, 1963 in Knoxville, Tenn. & charged with driving while intoxicated & reckless driving. I checked with the Secretary of State's office here who verified for me the fact that an Illinois Driver, convicted of drunken driving automatically has his license revoked for one year. They told me that even if said driver is arrested in another state, they get the report on it and that man's license is revoked. And yet, in November, 1963, he's charged with a traffic violation in Chicago

The number that is blanked out on the top ~~right~~ left hand c orner of the second page is the same number that is written in on the right side of the third page. The question mark on the first page was put on by my friend's source, but except for that all other marks & written numbers are exactly as they were in the police file.

I intend to go to the newspaper office on Saturday and look up the exact ~~1~~ references to Vallee in the papers, & I'll probably be able to get you copies of whatever they were next week.

Nothing recent on ~~Valle~~ Vallee.

On January 28, 1964 he was put on one year's supervision by Judge Nash, charge was unlawful use of weapons. Supervision was terminated on January 6, 1965. It was case #63 MC 67333.

Last known address 4611 North Paulina.

Birthday 11-15-33, born in Chicago, Catholic, 5'6", 155 lbs.

Father died in 1953. Mother died in 1944.

No brother. Has two sisters: Margaret Higgins & Mary Portillo.

Received honorable discharge from U.S. Marines Sept. 23, 1956.

Sel. Service ~~XXXX~~ #111-44-55 (by the way, that number looks wrong to me. Russ)
