In an appearance on NBC's Today show, to plug his anti-labor book, Caddy said he refused \$25,000 in hush-money offered him by ~~XXXXXXXX~~ Ulasewicz from Kalmbach. But Caddy did not then claim not to represent the defendants. That the Kx effort was made June 28, 1972, was sworn to by Kalmbach when he was a witnesses in the major "conspiracy" trial November 12, 1974. (WxPost 11/13/74)

This first \$25,000, according to Kalmbach, was then delivered to Bittman.
