... has remained Democratic despite Nixon's efforts to make Republican  
... feelings tend to be exaggerated. The CIA's study of ex-White House aides be-  
... lies that it would be impossible for a President to remain as ignorant of events as  
... the White House indicates. "You go on to a President," said one former White  
... House aide. "I can't imagine any man working with the President who would keep  
... such facts from him" said another.

"I never joined the Oval Office without being asked," reported one veteran of  
... two Administrations. "You can hear that atmosphere. You can't hear it else."
