Dear Mr. Weisberg:
Having read your book, that I bought
from you back in Jan. 67, while living
in Rison, Ark., the book of course being
"White Wash II" which I think was very
good, that asked a lot of questions that
to my mind have not yet been
answered and having just
concluded watching a four night
session by C.B.D. on a 2nd look at
the Warren Report upholding it etc
I saw the picture of your last book
White Wash II on the format, and to me

"BLESSED is the God and Father of our Lord Jesus Christ, Who BLESSES us with every spiritual BLESSING among the celestials, in Christ" (Ephesians 1:3)

they interviewed Lane & Epstein, but I didn't see you. Did they invite you to appear on the CBS super investigation of the tainted Warren Report. I guess they figured you might ask them some questions they couldn't polish over.

I think with what Mr Jim Garrison might expose in New Orleans on the subject, I think as he is thinking that the Eastern Establishment and the news media are trying to smear him.

If you would be so kind would you briefly bring me up to date on what you think about Jim Garrison and if we will ever know the real truth behind the assassination

"Let NOTHING be worrying you, but in EVERYTHING, by prayer and petition, with THANKSGIVING, let your requests be made known to God" (Philippians 4:6).

of Mr. Kennedy, all the American people I think want to know is the TRUTH. If there is dirty linen in the Democratic party, then it should be sent to the American people's Laundry and washed out with the TRUTH. —

Will your next book bring any more light on the subject or will it too be surprised. Please advise

Yours for Truth.

The American people are losing confidence in its elected officials ~~that~~ there is too much dishonesty and distrust of such.

Sincerely, W. Jewell

Dear Mr. Wells,

The CBS shows are the videowhitewash, AP's stories the syndicated whitewash, and these will continue until citizens make their voices heard. CBS boycotted me on purpose. They stole their show from what I first brought out in WHITEWASH, my first book, credited others with it, and therefore would have been embarrassed to mention my name. They did ask for my permission to use some of my evidence. I gave the permission and photocopies of the evidence. I used them in the enclosed flyer. CBS was afraid to use the documents, afraid to mention me. They read WHITEWASH in the original limited edition.

My opinion of Garrison is not unprejudiced. I am all for him. What he is looking into comes from my work, chapter 11 of the first book, 7 of the second, and a considerable amount unpublished. My own book on that was to have been done by Dell. They broke their contract. After some delay my agent has arranged for a small publisher, Parallax, to do it. I hope it will be out soon.

I have been saying all along that Oswald was connected with the right-wing Cubans who were involved in the assassination and framed him. Garrison now says this also. Oswald had CIA connections. My New Orleans book is entitled CIA WHITEWASH: OSWALD IN NEW ORLEANS.

I think you will find that the book I am now publishing (enclosed flyer) and what I still plan will bring more information to light.

I agree with your comment on the attitude of the electorate. I also believe that unless people make their complaints heard, they must also share some of the responsibility.

Thanks for writing. Wish I had time for a better response,

Sincerely,
