

Bill
your name, 4/1/51
Jim Nichols told me you'd be writing. Glad to ~~hear~~ hear from you. Wish I could remember more than your name.

I'd really looked forward to being there. I'd not planned to go to Newark for the college reunion because af knew I would not be able to do both.

I'd even arranged for a wheelchair. I can walk some but I can't stand at all, so I planned to get around and visit with the leg up, as is necessary, on the wheelchair.

If you were at Second and Rodney you should have known the Easters. The girl was in our class, her brother Edgar a little later. I used to walk home with them once in a while, and with Morris Eisenberg, whose father had a barbershop a little to the east of Rodney on Third. I think Morris was a year or so later.

We then lived at Second and Lincoln.

From what Jim told me the affair was and deserved to be a success. People must have put much effort into it.

Thanks for taking the time to write.

My best to any of the others you are in touch with.

Sincerely,

Dear Harold -

You & I are supposed to know
each other - by name, at least. Then
if we could do so by what we
look like. We were both in the
1931 Wilmington High Class.
We had a wonderful reunion
on Thursday, May 14, but we
missed you. We were all sorry
that you had not been too well.
And we send our best wishes
and hope that things will
improve.

I was asked to write
because we lived in the
same area of Wilmington -
I at 7th & Rodney Sts. I was
in the 1935 Class of the Univ.
of Delaware and have been
back home reunion here.
I'll do my best to get around,

to get to the 50th in 1985.
The people who put together
the 1931 Wellington High
party did a wonderful job
including husbands & wives
over 200 people. It was
hard to believe the Committee
could have contacted so
many.

I'll sign off with a
good wish for improved health
and a greeting from all
of us in the 1931 Class.

Amelie by Yours

P.S. The enclosed from the
Annuaire table is interesting.
