Dear Mrs. Wilcock,

Thank you very much for your thoughtful letter of the 25th. Would that more mothers were as concerned with the balance of information considered by the minds of their children.

Yours is a kind letter, and we appreciate it very much.

WHITEWASH is enclosed. The total cost, including postage, is \$5.05. Your bookstore has it readily available. All the major distributors, of which the closest to you would be either United News in Phila. or Bookazine in New York, do carry it. We, of course, are happy to mail it to individuals or stores.

Again thanks.

Sincerely yours,

Harold Weisberg

Dear Sir:

I listened to you Saturday night on the Alan Burke Show and was most impressed by your obvious intelligence and integrity and attempted today to purchase your book.

Our local book store (New Brunswick) does not carry it; however, they would like to very much inasmuch as they have had other requests for it.

During the telecast you indicated that you would forward a copy of your book, if we could not purchase it locally. I would appreciate it very much if you would do this. If you will advise the cost in advance, I will send you my check to cover it.

I feel this is something my two teen-age daughters should read and digest if they are to be fully informed of what happened, up to now it has been rather one-sided and it is refreshing to see someone take the time and effort to check "facts" not insinuations. I would certainly feel much safer if I were in trouble having an attorney such as you. I realize you are not an attorney; but your knowledge of law and evidence is quite remarkable.

Again, I was most impressed by your interview and can't wait to receive a copy of your book "White Wash".

Sincerely yours,

(Mrs.) Lillian Wilcock
