Dear Mr. Wilhelm:

Because your letter of the 15th says you want the books I can supply, herewith are the only extant editions of the other two books of the WHITEWASH series, the first and the third, and FRAME-UP. The cost is \$20.50 including postage, handling and insurance.

With respect to LEGACY OF DOUBT, I am certain Nyes is sincere. I am also certain the entire work belongs in a garbage pail. It is inaccurate, incomplete, irresponsible, irrelevant and not worth a second look.

We maintain a mailing list and will add your name to it in the event we can publish any of my newer work.

Sincerely yours,

Harold Weisberg

Dear Mr. Weisberg:

I am very interested in the books you have written on assassinations. I have paperback copies of Volume II - Whitewash II and Oswald in New Orleans.

However, I can't find the other books you've published anywhere. So, if you have extra copies of:

(1) Whitewash I;

(2) Frame-Up on the Martin Luther King Assassination;

(3) Any other books you may have published;

I'd be most interested in ordering them from you. So, please do let me know what books you have, whether they're available in hard-cover or paper, and the price and I'll order them immediately. If you don't have any extra copies of the above books please let me know where I can purchase them if there is such a place.

Thank you for your consideration.

Very truly yours.

CHARLES WILHELM

P.S. - I opened the envelope to add this note. Are you familiar with the Peter Joyce book Legacy of Doubt? Published by Pinnacle Books Co., #3 - Madison Ave., N.Y., N.Y. If you are familiar with it - what do you think of it?
