Dear John,

Sorry you've not heard from Dr. Wrone. I guess it is because besides holding down his job and getting the archive started he has brought out a book on one of my FOIA cases and is preparing a biblio. for a major publisher of bibliographies - and that is much work.

However, I'm sending him your letter and I'm sure that when he has some free time he'll write you.

His address is History Dept. Univ. Wisc. Stevens Point, Stevens Point, Wisc. 54481.

I've had no interest in Crisman but you'll have better luck if you spell his name correctly and switch from the City of Washington to the State, which is where he was.

A name check with an extra "h" would turn up no records anywhere, if they had any to begin with.

I'd never heard of him until Garrison started making statements about him, none to the best of my knowledge supported and relevant.

Best wishes,

May 3, 1979

Dear Harold:

Reference is made to the material on the JFK assassination to be deposited in an archive at the University of Wisconsin. To this date I have not received any word from Prof. David Wrono concerning the deposit of my material into the archive. I would appreciate if you could give me the address of Prof. Wrono so that I can know if my material will be accepted into this archive. Thank you.

I have been trying these last few months to obtain information on one Fred Lee Chrisman (deceased) of Washington, D.C. Secret Service has so far been negative. I would appreciate any information you could give me or where I may obtain such information. Thank you.

Looking forward ~~from~~ hearing from you.

Sincerely yours,
