

2/2/80

Dear John,

Thanks for your 2/8 and the Novel PSE, etc. I didn't know one had been done, or the ~~same~~ occasion for it. Or what was done with it on 11/5/79.

I don't think there is anything to the Umbrella man bit and I'm not a bit persuaded that it was Novel, wasn't Witt or that it means anything at all.

While the reactions are interesting, I recall that the PSE proved Humes to be an honest man. And that Hug McDonald was for real.

Look forward to hearing when you've gotten Archives records and have heard from Marshall.

Sincerely,

February 8, 1980

Dear Harold:

Thanks for your letter of 19 January 1980.

Chief, I am going to supply you with the records related to JFK. In my letter of the 16th I was inquiring if you would like copies related to my request.

I have forward my request to Marshall for copies of the prints that were made for you back in 71.

Although we don't share the same views on Gordon Novel, I have enclosed some data on him. If you have the time let me know what you think.

As of this date I have heard nothing from the Archives related to your records.

Yes, rereading Post Mortem.

Sincerely yours,

John
