Mr. Robert W. Matthews  
News Director, WBAL  
Baltimore, Md.

Dear Mr. Matthews,

If you plan no use of the footage you filmed of me, perhaps you would not mind sending me that. If you think that sometime you might want to use it, I'd still appreciate an unedited sound tape. As you know, footage has a way of being edited and sometimes misunderstood and presented in a way other than intended.

Most of the film has nothing to do with the NBC involvement. I didn't want to talk about that and did only on the insistence of your reporter. What does not relate to NBC but does to my book was considered newsworthy enough by the New York Times for a single news story to run 44 inches, rather unusual treatment for any book.

I regret the news judgement of local media, if that is what it is, is otherwise.

May I commend you on your judgement in not carrying the NBC New Orleans show. It is not something you would have been proud of when you learn the truth, which will not be long in becoming public.

Sincerely yours,

Harold Weisberg

Dear Mr. Weisberg:

The interview with you was not used on any of our telecasts. Since WBAL-TV did not carry the Warren Report shows it was felt that perhaps we should not have any interviews making reference to NBC's involvement.

Sincerely yours,

Robert W. Matthews  
News Director
