port, said today.

The report, Dr. Cyril H. Wecht, was the first critic of the Warren Commission's report on the assassination to be allowed to see items from the autopsy on the president.

For review with Government officials and President Kennedy's former personal secretary, Evelyn Lincoln, disclosed that the slides and probably the

bullet's representative of the Kennedy family, the items items were not included.

Mr. Marshall, who is a law professor at Yale University, said in an interview last night that he never had possession of the chest of items and that he had no knowledge of the items or any other objects now in the Archives.

Mr. Marshall said that other items had appeared in the past.

to the assassination, and that he, Mr. Marshall, obtained these items from the Kennedy family and lodged them with the Archives in 1964.

Examination of the items is being done by Dr. Wecht and a pathologist and a lawyer, said he felt certain that the items were still "around somewhere" and that he intended to ask the Marshall to let a group of people have taken the responsibility to destroy the items," he stated.
