Dear Sir,

Please inform me of the price for your "Wiltshire" books - Volume 1 & 2, and if I may quote from them for radio use here on W7GW of WMMB.

As program director and staff announcer, I've been running a daily commentary on the radio's association with the errors & failings of the Warren Commission Report. There is big interest in the area, and yours of your book here thru us. I call you with Taylor. On W7GW station we have a \$9,000 investment. The program coverage being broadcast by Mr. Mitchell - highest paid of the Eastern U.S. I have been from you in this

Sincerely,  
Dave Collier
