Dear Bob,

Here is a new Strout tape. I unwrapped it only enough to see that it is. There is no demagnetization from having played it or subjected it to any stray fields here.

PHOTOGRAPHIC WHITEWASH: SUPPRESSED KENNEDY ASSASSINATION PICTURES, almost done, for private printing. May have small publisher for CIA.
WHITEWASH: OSWALD IN NEW ORLEANS. Will know soon. If not, that, too, will go into the works, right away.

Sincerely,
