Call-in on newsline re
whitecast: Man wanted WTOP
opinion on validity of book
citing opinion in foreign countries,
esp. France, that WR is wrong.
"W TOP" "Frank" said Comm
investigation so those that
"Warren himself went from
(6th floor) window to "chicken
bones" in 2130 min. First I
knew the CJ participated in
reconstructions -

"Frank" believes report not book,
personal opinion. Gallaher
cites Pierre Salinger as his auth -
for believing WR - Both say good book,
they don't agree -
Another call saying WTOP gave series
of 5 min interviews but he heard
on another station where it was
an hour and a half - Says he has
heard about it
