Sept. 5, 1992
CONFIDENTIAL

To: MJ-8

Subject: Expression of Citizen Concern

A concerned citizen, Mr. Anthony Hilder, has recently written to the Lincoln County District Attorney, State of Nevada.

Mr. Hilder is concerned about the conduct of Wackenhut personnel and the nature of various operations in Nevada.

We have not independently verified that this letter is genuine, but have no reason to doubt its authenticity. (We received our copy from Roger Beard of Henderson, NV.)

Because Mr. Hilder has apparently sent copies of his letter to several other people, you may wish to see the letter as well -- although its tone and demeanor is not meant for the eyes of a gentleman of your standing and position.

However, if you will look past the negativity and strong opinions expressed in Mr. Hilder's letter, you will see sincere requests for vigilant oversight of the conduct of Wackenhut security and for a periodic, careful review of ongoing alien-related operations in Nevada.

These requests appear to be reasonable. No doubt, strong internal "checks and balances" already exist. Although Mr. Hilder's letter is an extreme example, we feel that many Americans, if they were in a position to do so, would similarly ask that ceaseless efforts be made to ensure that secret operations are kept in compliance with the letter and spirit of U.S. policy, laws, findings and treaties.

Mr. Hilder's letter can also be interpreted as containing a request that any variances from policy or abuses of power be corrected and disciplinary action be taken as appropriate. Although this is probably standard procedure, you may find it encouraging that a citizen cares enough to write others about it.

Lastly, Mr. Hilder's comments reflect an urging that those in the "Secret Government," having drawn a "deep black" veil across their operations, do not forget or abandon traditional American and humanitarian values -- even though the "Secret Government" must balance these earthly values against totally "alien" values as well.

We hope this memo has placed Mr. Hilder's remarks into a perspective which may be useful to you.

July 30, 1992

Patty Cafferata
Lincoln County District Attorney
Pioche, Nevada 89043
702-962-5171

Dear Mrs. Cafferata,

I am calling on the Attorney General of the State of Nevada to initiate an immediate "FULL-SCALE" Grand Jury investigation into the activities of the Wackenhut S.S., your office and the Lincoln County Sheriff's Department. The reason for the urgency of this action is because of the rapidly increasing number of "life-threatening" situations created by unidentified paramilitary personnel who operate under the color of law to harass, intimidate and suppress the constitutional rights of many hundreds of American citizens and Japanese nationals who come to view the Unidentified Flying "Saucer-Shaped Disks" being tested over your county.

It is my prayer that with the prodding of the people and the press that the Attorney General will launch "this investigation" in time to avert one of these innocent individuals from being murdered by that paramilitary mob or winding up as a permanent prisoner in one of the "strange" underground "experimental laboratories" below Dreamland and S-4 within the Nellis Test Range.

During my conversation with you on the afternoon of June 6, I made repeated attempts to acquire the names of six individuals who were arrested last month by the Lincoln County Sheriff's Department somewhere in the Tickaboo Valley. As a reporter, I sought your professional cooperation. I did not get it.

Not only did you refuse to reveal the names of those arrested and their "alleged" violation of law - you continually badgered me for my home

address, phone number and specifically just what radio stations would be broadcasting the story. Could it be that you wanted to "cover up" the story? As I stated, I simply wanted to cover the event.

I am curious as to the reason you would attempt to prevent the media from reporting the arrest. Obviously you didn't want me to contact those people for their side of the story before their arraignment. Is there something you fear from honest disclosure? What is it that you don't want known? Could it be that these arrests were illegal?

Did the Sheriff's Department violate "the constitutional rights" of these citizens, Mrs. Cafferata? Has it become the policy of Lincoln County Sheriff's Department with your approval and under the color of law, to **"HARRASS AND INTIMIDATE"** the curious onlookers who come to your county to sit beneath the stars in the high desert, hoping to see and possibly photograph the strange and "alien lights" in the night sky for which that region has now become famous? Is this a crime in Nevada? One might wonder if Lincoln has now become the first county in a "Hitlerian Superstate" of a **NEW WORLD ORDER** - where freedoms are suppressed and terror tactics are "public policy"?

As an investigative journalist, I have talked to many DA's and many law enforcement officials on and off the air over the years. Generally they have been **"MOST COOPERATIVE"**. You, on the other hand, have the distinction of being the **"LEAST COOPERATIVE"**. This might bring a rational reporter to conclude that you have something to hide. And I believe you do.

It's definitely not a **TOP SECRET** that what's going on within the bowels of those underground bunkers at S-4 and Area 51 in the Nellis Test Site is **"ABOVE TOP SECRET"**. Obviously there's something very strange going on out there that the **"BLACK PROJECTS BOYS"** have to hide regardless of what it costs. If the public were to become aware of what these "Dr. Strangelove's" were "creating" in those underground laboratories - I believe the world would be shocked and horrified beyond all belief.

Need I remind you that it is your responsibility as District Attorney of Lincoln County to **UNCOVER - NOT COVER UP** crimes that are being committed in your county. Other questions arise. Is there a dereliction of duty by the District Attorney's office? Do you have a conflict of interest? And for whom you do serve?

I am deeply concerned as is the American Civil Liberties Union in seeing that the constitutional rights of all Americans who live in or pay a visit to Lincoln County are **protected - not violated** by the Wackenhut S.S. (Security Service), your Sheriff's Department, or anyone else.

Correct me if I am wrong, but at one time or another did you not take some sort of oath to uphold and defend the Constitution of the United States? Or is the Lincoln County District Attorney exempt from upholding such "antiquated trivialities" as the United States Constitution?

Would you be willing to share with me information as to how and why the Wackenhut S.S. is allowed by your office under the color of law to stop, intimidate and harrass "sightseers" on public land? Are they "ABOVE THE LAW"? Are they immune to prosecution?

What law is it that allows the Wackenhut S.S. to drive unlicensed vehicles on county roads in the state of Nevada at speeds far exceeding the posted limit? Does your office now allow them to search sightseers' vehicles without warrants? Maybe some judge in Lincoln County issued them "pocket warrants"? And if so, what judge has the legal authority in this country to issue such "invisible warrants" to the Wackenhut S.S. or any other paramilitary mob? What law gives you the legal authority to allow the Wackenhut S.S. to stop, interrogate and intimidate sightseers, tourists, campers and naturalists? Or for that matter, do they need ask your permission at all? Are they a law unto themselves?

Are these "Hitlerian Harrassers" CIA, NSA, "Black Project", U.N. or paramilitary personnel? Just where is the law in Lincoln County? Asleep? Or do you simply wink your eye at all these Orwellian incidents?

The obvious collusion between Wackenhut and the Sheriff's Department necessitates that these questions be asked. It has become even more necessary to prevent our freedoms from disintegrating - that these questions be answered.

Who are these men who stand behind loaded fully automatic weapons, show no identification, wear camouflaged clothing, display no badges, wear no emblems, drive unlicensed vehicles and who show no

warrants when they stop and interrogate American citizens on American soil? They demand to see identification, social security cards, driver's licenses, take pictures of the sightseers, record their conversations, search their cars and write down the license plate numbers for "zher files" just like in Nazi Germany. They have even on occasion drawn their weapons and aimed them at American citizens - with what can only be described as **Intent to kill** - should the "sightseers" not instantly obey their commands. Surely you must be aware that all this is taking place on public "tax-payer owned" land in your county. Why are you allowing this, Mrs. Cafferata?

Who are these paramilitary people that you seemingly protect from prosecution? Under whose authority do these **neo-Fascist forces** operate? Yours? MJ-12? Some cryptic banking cartel? The Skull and Bones? The Jason Society? Global 2000? The Tri-Lats? I know it's not the Boy Scouts, Mrs. Cafferata. Just who is running the show?

I doubt seriously that the average citizen of Lincoln County who pays your salary has any idea what's going on. I feel quite certain that the residents of Rachel, Pioche and Alamo haven't secretly met with you in some obscure smoke-filled back-room to persuade you to make sure that the **Wackenhut S.S.** remains "immune" from criminal prosecution.

I don't quite understand why you're doing what you're doing or rather - *not doing* . Does somebody have some sort of hold on you? Does some "secret society" pay for your co-operation? Or are you and the Sheriff's Department just working with the **Wackenhut S.S.** voluntarily, without pay?

In Nazi Germany, Hitler had a quasi-government group called the **S.S.** Beyond their borders they called the collaborators the **Waffen S.S.** They were authorized by the Fuhrer to operate "**BEYOND THE LAW**". Is this the case in Lincoln County? Has the **Wackenhut S.S.** replaced the **Waffen S.S.**?

Under what law have you allowed unmarked black helicopters to buzz, harrass and threaten the lives of tourists in Lincoln County? If these aircraft are not, by law, allowed to threaten the lives of the people who come to the Tickaboo Valley "to see the sights", then why hasn't your office prosecuted these criminals? Are they above the law? Or has

"selective prosecution" replaced criminal justice in Lincoln County?

Are you ready to testify in a court of law that you are "unaware" that black helicopters have been swooping down upon innocent travelers - in an attempt to scare them or try to kill them - as was the case with Cary Grant when he was buzzed by an airplane in the fictional film North By Northwest. If you don't recollect any such incident, let me remind you but one. Norio Hayakawa, Gary Schultz and a party of sightseers were buzzed by an unmarked helicopter - in a life-threatening manner in May of 1991.

Under what law do you allow such outrage to occur over Lincoln County roads? Have you bothered to even so much as "discuss" this attack with those who authorized it? Why haven't they been brought to court to explain their offensive action taken against those innocent, unarmed people? Did you make *any attempt whatsoever* to prosecute the perpetrators of that crime? Might I remind you that it occurred over a Lincoln County road, which is under your jurisdiction? Just what did you do about it, Mrs. Cafferata? Nothing?

On March 26 of this year Norio Hayakawa and Shinichiro Namiki were stopped by Undersheriff Gary Davis and Deputy Sheriff Doug Lamoreaux, at which time their camera equipment was "forcibly confiscated" on public land by these two armed men. In years gone by this was considered highway robbery. Under what law do you justify such outrage now? Or is theft now legal in Lincoln County?

Is it not incumbent upon you to at the very least to bring Lamoreaux and Davis up before a judicial hearing in front of an unbiased judge? In case you've lost their numbers, Mrs. Cafferata, you can reach Undersheriff Davis at 702-725-3447 and Deputy Sheriff Lamoreaux at 702-725-3645 in their off-hours when they might be more inclined to give some straightforward answers about this outrageous behavior.

I realize that you are at the very least angered by my inquiries. If your arrogant attitudes towards this reporter is any example of how you slip, slide, duck and hide from inquiries by others in the Fifth Estate - you must hold those of us in the media with very deep disdain. Your attitude reminds me of Richard Nixon. He had a similar attitude towards the free press, but you are in good company - so did Adolph Hitler.

This country has been very good to me, Mrs. Cafferata. I owe a great debt to our forefathers who had the courage to stand up and speak out against the tyranny imposed upon them by King George. They had to fight for the freedom we enjoy in this the greatest nation on earth. So I am not about to remain silent, turn my back and do nothing as you would prefer me to do while I see our constitutional rights that they *fought and died* for twisted and turned by the knaves of Lincoln County law enforcement.

I realize that you are paid handsomely to do and say what you do, Mrs. Cafferata. I have no problem with you making money, just as long as you don't "sell out" our freedoms to obtain your fortune. Our freedoms are not for sale and we are not willing to see you surrender them to some "Neo-Fascist" NEW WORLD ORDER. I fear that if your belligerent behavior is allowed to remain unchallenged in Lincoln County, Nevada may well be on its way to becoming Nazi-ized.

I thank God that we still have freedom of speech and expression in this country. In the Communazi nations of this world I would be investigated and subject to arrest for daring to make such inquiries of even a tank-town backwoods bureaucrat. Up until just recently in the Soviet "SLAVE SYSTEM" the KGB would concoct evidence against individuals like Solzhenitzen who dared to bring to light the grizzly Hitlerian horrors happening in the Gulag Archipelago.

As deeply committed as you might be in "COVERING" for those who are "COVERING UP" the Nightmares at Nellis, I believe that you will soon discover that the overwhelming majority of those who receive this letter are far more dedicated to "UNCOVERING CRIMES" being committed against American citizens in your neck of the world - than you will be in prosecuting crimes committed in Lincoln County.

Incidentally, irrespective of how "new" you might think that President Bush's New World Order is, his "presidential proclamation" is definitely - not new. Adolph Hitler used the exact same words to describe "his plan" for Global Government some fifty years ago. Now Bush claims he wants to accomplish it "IN A KINDER AND GENTLER WAY". But that's just on TV - for the mindless masses. For your edification THE NEW WORLD ORDER is the

title of Hitler's second book.....the first one was MEIN KAMPF. It served the Fuhrer and his Fascist followers who justified the INHUMAN WRONGS of "HUMAN RIGHTS" committed throughout Europe. This included justification for Dr. Joseph Mengele's monstrous "MEDICAL EXPERIMENTS" that were performed on the unsuspecting population in order to to develop a MASTER RACE.

Of course there's a difference between Bush and Hitler's phraseology. Hitler talked about a THOUSAND-YEAR REICH. Bush talks about a THOUSAND POINTS OF LIGHT.

I know that it shatters your senses for someone like myself to suggest that "GENETIC ENGINEERING" and "MEDICAL EXPERIMENTS" could be going on in the miles of tunneled underground facilities at S-4 and Groom Lake - and that history could be repeating itself, yet this topic has come up repeatedly over the past year - from "several sources".

I recall one case in point when the Lincoln County Sheriff's Department picked up a young black woman named Trassie Wingfield who was wandering about in the Tickaboo Valley one night near the perimeter of the base. As I understand it she's in the Navy and is stationed out of Hawaii. She claimed to have been abducted and brought into "the facility" twice for "medical experiments". Did your office investigate her charges? And if not, why not?

According to the FBI and Department of Justice records, well over 300,000 children end up *missing and unaccounted for* in this country every year. Where do you think these "MILK CARTON KIDS" disappear to, Mrs. Cafferata? Certainly they can't all get swallowed up in the inner cities or wind up in shallow graves off lonely backwoods roads or served up on the table of some psychopathic cannibal.

In Bill Hamilton's book "COSMIC TOP SECRET" there may be an answer to this question. In it is described a literal Hitlerian "hell under the earth" which was created at a TOP SECRET-BLACK PROJECT base called Dulce. That one is located in New Mexico, not far from the Los Alamos National Laboratory. I have enclosed two pages from Hamilton's book for your review. Though I suspect you will - I pray that you don't - take these murderous matters lightly.

I have recently heard stories of people who, under hypnosis, have described in nightmarish terms what goes on in these God-forsaken underground facilities like DREAMLAND. Based upon what I have heard, I can only describe the "HELL-HOLES" as "FRANKENSTEIN FACTORIES". According to my source, these laboratories are run by a small army of I.G.O.R.S. (the Invisible Government's Robotons) who follow "the party line" as did their Nazi predecessors who ran the Hitlerian Hospitals at Auschwitz and Dachau.

I don't know what Hitlerian horrors are happening out there with Project Redlight but I feel it's imperative to ask the Attorney General of the State of Nevada to appoint a special (independent, non-governmental) investigative team to uncover just what kind of "experimentation" is going on in the underground facilities at S-4 and Groom Lake. The country has a right to know if the missing "MILK CARTON KIDS" are being used for "genetic engineering" and if adult "abductees" are used for mutation experiments and body parts.

I would think that if you refuse to cooperate with such an investigative team or to even address this issue - one might conclude that you, like your predecessors, are following close to "the party line".

A final question about "THE FINAL SOLUTION", Mrs. Cafferata. As you know, Adolph Hitler was reported to have ordered *his* I.G.O.R.S. to gas millions of innocents in "death camps" like Auschwitz and Dachau "TO CLEANSE" the world of the Jewish problem. Did you ever ask yourself what happened to those atomic scientists in Germany who were developing the A-Bomb and the dozens of doctors who conducted those medical experiments on human beings? Is it nearly coincidental that there exists many thousands of Malthusian Minded Men who openly accept "MASS MURDER" as necessary to bring about a NEW WORLD ORDER? These Orwellian ONE WORLDERS working within the Bush "Black Projects" believe that the world's population has to be reduced by 1,250,000,000 people by the year 2000 (25%). If you don't believe, there are madmen with this mind-set... Read GLOBAL 2000's Master Plan.

These Malthusian men have the minds of monsters. They use "controlled conflicts" (war), "bacteriological warfare" (AIDS), sterilization, mandatory abortion and "weather modification" to create droughts that result in mass starvation. To achieve their "end objective" for global

government upon the ashes of all national sovereignty they are willing to mass-murder millions. That requires, of course, the "cooperation" of officials like you , Mrs. Cafferata, to follow "the party line".

I know it's very hard for you to accept, even in your wildest thoughts, that an AMERICAN AUSCHWITZ could exist under American soil. I bet it's even harder for you to conceive that it could be fully functioning in Lincoln County. Are you willing to testify in a court of law that it doesn't exist there, Mrs. Cafferata?

During the Third Reich even "the party liners" who lived around "the death camps" were reluctant to believe that "their government" could commit such horrendous crimes as were discovered after the invasion of Germany. Yet, although they heard faint screams in the far distance and cries for help - they shut their ears to it. Even though they saw car-loads of people by the thousands going into the concentration camps - and none return - they shut their eyes to it. Even when they saw billows of smoke belch from the bowels of the burners and smelt the stiff strong stench of burning flesh -they shut their senses to it. And, in spite of the fact rumor had it that "unspeakable horrors" were going on in the "killing camps" - they shut their minds to it.

Those that asked local government officials , like yourself, *what was going on* were told that it was all "TOP SECRET" and involved 'NATIONAL SECURITY'.....and *not to question authority*. Then one day when the war came to a close and the truth was unearthed, the "party people" acted shocked when it became public that millions had been mass-murdered. They just couldn't believe that genocide, infanticide and homicide could have been not only allowed but carried out to the last deadly detail by other "party liners" in the government who just went along saw nothing, said nothing and did nothing.

When it came time for the trial at Nurenberg , Mrs. Cafferata, the "Vun, Vurld, Vurkers" who ran the killer concentration camps at Auschwitz and Dachau - "CLAIMED INNOCENCE". Even those "party people" who shoved and shoveled their victims into those carnivorous crematoriums - "CLAIMED INNOCENCE". They said they were just obeying orders. They said they were merely carrying out the Master Plan - for the Master Race.

I am not accusing you of any crime, Mrs. Cafferata. It is possible

that you could just be so inordinately apathetic or just so busy blindly obeying orders that you cannot see, or simply refuse to open your eyes to what's going on. Or do you "CLAIM INNOCENCE", Mrs. Cafferata? The Attorney General's office will be the judge of that. It is the A.G.'s responsibility to determine if any crimes have been, or are now being committed or allowed "to be committed" by your office. Ultimately, any decision with regards to the "wholesale abuse of the law" is made by the prosecution who tries the case, be it in a court of law or before the bar of public opinion.

I take it you'll "CLAIM INNOCENCE", Mrs. Cafferata. Just for the record, Mrs. C., whose orders do you obey? Sometimes one feels like the weight of the world is upon them when asked so many direct questions. But being a District Attorney, Mrs. Cafferata, I feel that it is your responsibility to answer them before an investigating committee, the press and the court of law. But don't worry yourself about that tonight - that's all coming tomorrow. So smile. And have a nice day.

Sincerely,

A handwritten signature in dark ink, appearing to read "Anthony J. Hilder". The signature is written in a cursive, somewhat stylized script. A long, thin horizontal line is drawn across the signature, starting from the left margin and extending past the end of the signature.
