Dear Sir:

In accordance with the request of Mr. Howard Willens of The President's Commission on the Assassination of President Kennedy, we enclose the originals of the depositions of the following persons:

- Garland Glenwick Slack
- Mrs. Virginia Davis
- Donald E. Brooks
- Domingo Benavides

- Harry D. Holmes

I am also enclosing ten copies of exhibits to be attached to copies of Mr. Holmes' deposition. You will note that Exhibit 4 did not reproduce too well. I am therefore enclosing a carbon copy of Exhibit 4 with a notation that it did not photograph well and hence you may wish to reproduce it.

We are retaining a copy of the depositions in this office for the time being.

Sincerely yours
