General Julius Klein,
1040 North Lake Shore,
Chicago, Illinois.

My dear General Klein:

The Chief Justice has asked me to advise you that he has had the Report and supporting volumes issued by the President's Commission on the Assassination of President Kennedy gone over thoroughly, and so far as can be ascertained there is no mention of any Galt contained therein.

Sincerely yours,

Executive Secretary
to the Chief Justice.

Miss Margaret K. McHugh
Executive Secretary to the
Chief Justice
Supreme Court of the United States
Washington, D. C. 20543

Dear Miss McHugh:

Thank you very much for your letter of June 4.

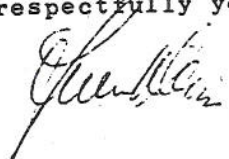

While it is a privilege to receive a letter from the secretary of our beloved Chief Justice, who is an old friend of mine, I do not understand the reply because I have never written to the Chief Justice asking about Galt. I wonder if someone has used my name. Will you be good enough to send me a copy of the inquiring letter.

There is only one Julius Klein living at The Carlyle, 1040 N. Lake Shore Drive, Chicago, Ill., and that is me. Of course, there are other Julius Kleins in Chicago, but since your letter was addressed to my home I wonder if my home address and my rank were used in imposing on the Chief Justice with this inquiry.

Thank you for this courtesy.

I beg to remain -

Most respectfully yours,

Julius Klein
Major General, AUS (Ret.)

The name Galt was mentioned
in the Women Commission
report on the assassination
of President Kennedy as it
has been in the murder of
Martin Luther King. Please
have your staff look into
this!

Yours,
Julius Klein
