Dear Dan,

Here are two more short chapters for what will be Part 1, "The Loose Ends", and a few minor additions to two other places.

Last night I finished the "Conclusions". Aside from this, there are two long chapters, written earlier, that I'll have to integrate. *only*

I'll be in DC Friday and would like to pick up what you have at that time. I'll also bring in the conclusions, which I can get from you the following week. They'll run about 18 pages.

Please try not to forget to bring this stuff Friday, for someone else is going to read it over the weekend. I'll be away the first part of the following week, speaking, and as soon as I can I want to work this over, with the benefit of whatever advice and suggestions I can get.

Sincerely,

Harold Weisberg
