Dear Harold,

Thanks very much for
encouraging note - and the
memory of time gone by. I
think that Blakey judge was
over records that we are
still waiting for under the
new JFK records law. I

Suppose Christian will get
around to appointing the
review board sometime after
he names his unpteen & asst.
slcy of widgets. My best
to Lil and I hope to see
you one of these days.

Sincerely,
Seay
