Roberts has had frequent contact with representatives of the Russian and satellite Embassies in Washington, D.C., over the past several years. As examples, in January, 1962, he had lunch with the Czech Counselor and in May of that year he also lunched with the Czech Ambassador. We have received information reporting that he met a Russian correspondent of "Pravda" for lunch in July, 1962. He subsequently had lunch with the Counselor of the Polish Embassy in Washington, D.C., in August, 1963.

In connection with the above contacts, Chalmers has gone on record with the FBI in the past concerning his association with such individuals. By letter dated March 21 1955, to Mr. Nichols Mr. Roberts explained the reason for his contacts with personnel at the Soviet Embassy during the previous week. This dealt with his assignment to assist in preparing a TV program on the 10th Anniversary of V-E Day for "The Washington Post" TV Station, WTOP. He received this assignment as he was the diplomatic correspondent for "The Post." In a previous letter to Mr. Nichols, October 27, 1954, Roberts also explained other visits with members of the Russian Embassy staff. He pointed out he was the foreign affairs reporter for "The Washington Post and Times Herald, " and explained he gave written reports of such meetings with Soviet officials to the USSR Affairs Desk, State Department, Washington, D.C.

On 11-17-54 Roberts lunched with the then Atomic Energy Commissioner, Tom Murray, with whom he had been trying to inveigle a luncheon engagement for some time at the Allies Inn. While there, Murray spoke for a few moments with Mr. Hoover and Mr. Tolson, who also had stopped there for lunch. When Murray returned to his table, Roberts stated,"I guess we will have to speak in whispers now." When Murray asked if Roberts was in trouble with the FBI, Roberts replied, No, but "they get into too many things." Mr. Murray resented Roberts' implied dislike of the Bureau and this information was subsequently relayed to the Director by Mr. Murray, who stated he would have absolutely nothing to do with Roberts again.
