William "There was a
wealthy San Francisco
socialite who was arrested
last month after a hoard
of cache of weapons was
found in his home. He was in-
dicted along with his wife,
Louise, on 22 counts of ille-
gal possession of firearms.
Charges which U.S. Ator-
ney Cecil Poole called "re-
presentative," since only
23 guns and 20,400 rounds
of ammunition were men-
tioned out of the 77 tons
found. S.F. Exam-Chr.
