Mr. Harold Weisberg

Route #8

Dear Harold:

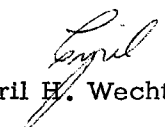

In reply to your letter of 1 July 1971, please be advised that Derrell Collom and I shall try to find specific references in appropriate textbooks and articles that set forth the kind of information that you are seeking. As soon as we have located these, I shall send you xerox copies.

If and when you obtain the opportunity to review photos and/or other materials, please let me know. Then, if at all possible, perhaps Derrell and/or I can make arrangements to review them with you.

Good luck with your various pending actions. Your perseverance and tenacity are truly remarkable. I only wish that I and others would or could make the same kind of ongoing contribution.

With kind regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
