OFFICE OF THE CORONER

Mr. Harold Weisberg
Cog d' Or Press
Route #8
Frederick, Maryland 21701

Dear Harold:

Thank you for your letters of 25 April and 19 May, 1970. I was pleased to learn that you had won the freedom of information lawsuit, and I hope that you are equally successful in the similar actions which are currently pending.

I am enclosing a bibliography of mine. If there are any articles that you think would be helpful, let me know, and I shall see if I have an extra copy around. Insofar as Fisher is concerned, may I suggest that you check his bibliography in the Cumulative Medical Index and similarly, select those articles which you feel are relevant to your needs.

The information concerning the x-rays is quite interesting. Let me know what you find out about them.

I shall attempt to obtain a copy of any written materials prepared from the "Assassination Panel" at the Wichita meeting last month. Dr. Eckert is a good friend of mine, and whatever is available (if anything), I shall have no trouble in getting.

With kind regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
