Dear Henry,

The volume of mail makes adequate response impossible.

I'd been sent the Sun story, so I'm returning the copy you were kind enough to include on the chance that in time you'll need it.

It makes me feel good to know that those of your age take as active an interest as you have.

Howard Roffman was only your age when he wrote the first draft of his recently published Presumed Guilty (Fairleigh-Dickinson Univ. Press).

There is an action conference at the Univ. Md. College Park 6/13,14, to work out a common ground for seeking a re-investigation. Student government sponsorship.

Oswald in New Orleans is out of print. I did not print it to begin with and have only a few copies, for which I have to get \$21, exorbitant for an original 95¢ book. Perhaps you can xerox yourself a copy in the library? I have no objection if you'd like to.

I enclose a list of the others.

I had announced Post Mortem but it was impossible to print it for financial reasons.

When I can I'll let you know. I hope it becomes possible.

If you saw the Sun story in the 1/22/64 executive session transcript that I got and then gave away and want this transcript, as I think you will, it is cheapest in the Congressional record of 5/14/75, and extension of remarks by Cong. Gladys Spellman.

best wishes,

Dear Mr. Weisberg:

For some time now I've been meaning to write you, however, I've always put it off. I have just read the article on you in the Sunday Sun with great interest. I, too, am a researcher of the Kennedy assassination. Although I'm not of the same caliber as yourself, I believe for an 18 year-old, I've done a lot in only two years research. I have been to the National Archives to view some of the Warren Commission Exhibits such as the rifle, CE #399, and assassination films. I've also read many books on the assassination, but I have never been able to find the following books written by you: Whitewash, Whitewash II, Whitewash IV, and Oswald in New Orleans. I am interested in acquiring a copy of each of the above mentioned books, plus Photographic Whitewash. I have read this book but would like very much to have a copy. Please reply as to the total cost involved. Thank you for your assistance.

Sincerely,

Henry J. Wegrocki

P.S.--Included with this letter is an article done on my research. It appeared in the Morning Sun on May 13, 1975. I only submit it as a reference to give you an idea as to what I believe happened on November 22, 1963.
Thank you.
