

November 21, 1936.

Mr. A. L. Wirin,
National Labor Relations Board,
Bankers Securities Building,
Philadelphia, Pa.

Dear Mr. Wirin:

I imagine your letter to Minicker was intended for me. In any event, I am very glad you returned the galley proofs because our supply is limited. However, if you still need them let me know and I will return them to you. I will not let them go out of the office and you may have them any time on call. It should not be very long before printed copies are distributed.

I am hoping to "knock off" from Wednesday of next week until the following Monday." During these four days I will be either in Philadelphia or Wilmington, Delaware, which is only an hour away. If I can be of any help to you, I will only be too glad to do what I can.

Very truly yours,

Harold Weisberg, Editor,
Subcommittee of the
Committee on Education and Labor
Under S. R. 266.
