Re: RCA

Dear Mr. Zack:

After leaving you Saturday, I endeavoured to track down the payment of \$2,000 to the Police and Firemen's Association.

Only one of the officers was available. His name is Winfield Levisaur, Corresponding Secretary. He definitely stated that the Association has not officially received any such present. He offered the suggestion that if such a present had been made that it had been pocketed by an individual. During the conversation which followed this, he said that a member or officer of the Association, whose identity had never been disclosed, had cashed a check for \$25 made out to the Association by an advertiser in an Association program.

The officers of the Association are: Nelson Andrews, Secretary; Winfield Levisaur, Secretary; William Thorn, Financial Secretary; Charles Edwards, Vice President; Edward Carroll, Treasurer; and Botts, President. The Association maintains a club house at 1475 Whitman Avenue. Botts is stationed at the Third Precinct, 26th and Federal Streets.

I conveyed your message to Wirin this morning. Wohlforth is not in town but as soon as he returns, I will speak to him.

Enclosed is a set of revised galleys of the second two days' hearings. Please return the set I sent you which I must file because of the corrections indicated by witnesses.

Very truly yours,

Harold Weisberg, Editor  
Subcommittee of the  
Committee on Education and Labor  
Under S. R. 266
