Mr. Ulyss S. Mitchell, Acting Director
The American Baptist Publication Society
1701-1703 Chestnut Street
Philadelphia, Pennsylvania

Dear Mr. Mitchell:

Your letter to Senator La Follette of
November 6 has been referred to me.

The Government Printing Office made a
fairly accurate estimate when they told you our Hearings
would consist of about ten volumes. However, they should
have informed you that the first two of these volumes will
be issued in a month or so.

In the event that you need information be-
fore our Hearings are distributed I will be only too glad
to provide you with whatever I can. Simply outline to me
the specific knowledge you desire.

I am sorry that there are no extra copies
of galley proofs with which I might provide you.

We are handicapped by an exceedingly small
appropriation and consequently will have no printed copies
of our Hearings available for distribution, but the cost,
if bought from the Printing Office, is small, in the neigh-
borhood of twenty-five cents.

You may be interested in knowing that the
Preliminary Hearing is being reprinted and soon will be
available through the Printing Office.

We really appreciate your interest in our
activity and would appreciate copies of anything you write
about us.

Very truly yours,

Harold Weisberg, Editor

Committee on Education and Labor

Senator Robert LaFollette
Chairman Committee on Investigation
Civil Liberties
Washington, D. C.

Honorable Sir:

In accordance with your suggestion in reply to my letter of October 24, I have written the United States Printing office and was advised that the Hearing dealing with the investigation of the Spy System financed by employers against labor will cover some 10 or 12 volumes, but that it has not yet gone to press.

As Director of Social Education for a million and a half Northern Baptists I am in very great need of some immediate information from these Hearings for the preparation of some articles and leaflets. I would greatly appreciate your effort in securing same for me.

Yours very sincerely,

Director
Social Education
Adult Education
