## MEMORANDUM

To Harold Weisberg, LaFollette Committee  
From Fred. G. Krivonos, Philadelphia  
Subject Galley Proofs

Dear Harold:

Many thanks for continuing to send us the galley proofs of the Committee hearings.

However, I note that the proofs are still addressed to Wirin. Although we have heretofore opened them on the assumption that the envelope contained the galley proofs, it would be advisable, in order to avoid any possible embarrassment, to address the material to me. Many thanks.

Sincerely,

Fred. G. Krivonos

Mr. Harold Weisberg  
Sub-committee, Committee on Education and Labor  
247-C Senate Office Building  
Washington, D.C.

Dear Weisberg:

Galley proofs of the transcript of the current hearings addressed to Wirin at this office have been appropriated for the committee work here which Zack and I are continuing. Please keep sending galley proofs of the hearings as they come in. We find them vitally important in getting exactly what transpires at the hearings and in continuing current investigations.

I hope to see you when I am in Washington next week.

Sincerely yours,

Fred. G. Krivonos

Mr. Harold Weisburg  
Sub-Committee of Committee on Education and Labor  
247-C, Senate Office Building  
Washington, D. C.

Dear Harold:-

I am herewith enclosing the Pinkerton report on Carr.

I went to the race track to attempt to have Carr sign this and found that he had been shipped to Philadelphia, and would not return to Baltimore until after the racing meet at Charleston, West Virginia. He is there now in the same capacity that he served at the Bowie track.

I tried to find Dare the same day, and found that he had also been sent away, and is also at Charleston.

I am sorry that I can't do anything further on this thing because I have resigned my position as Regional Attorney with the National Labor Relations Board as of December 3rd, 1936. I hope to see you soon in Washington.

Sincerely yours,

  
JACOB BLUM
