Dear Director Kelley:

September 5, 1975

Acting under the Freedom of Information Act, I request access to the following FBI documents relating to the assassination of Martin Luther King, Jr. in Memphis, Tennessee, April 4, 1968:

1. Bullet comparison photomicrographs of the evidence bullet and the test bullets made by your ballistics expert, Mr. Robert A. Frazier.
2. Results of laboratory examinations of the evidence bullet.
3. Results of the microscopic examination of the windowsill in the bathroom at 422½ Main Street, Memphis, from which the murder weapon was allegedly fired.
4. Photographic enlargements of the dent in the windowsill and of that part of the rifle which allegedly caused the dent.

I have seen your letter to my colleague, Mr. Haley, in response to his request in the matter of George Wallace and realize you are snowed under with FOIA requests. However, I would appreciate your expediting this as much as possible. Our program is scheduled for broadcast this fall.

Sincerely,

Ernest S. Leiser
