Dear Mr. Weisberg:

In line with the substance of our telephone conversation of even date relative to your appearance as Guest Speaker at the Arlington Jaycees dinner meeting to be held November 8, 1966, you will find below the necessary details pertinent to the occasion. Please note that November 8, 1966 is Election Day; if for this reason or any other you are unable to keep the engagement, please let us know of the change prior to September 15 th.

As to the details, the scheduled itinerary consists of the following: cocktails from 6:30 to 7:30 PM; dinner from 7:30 to 8:30 PM; and the Guest Speaker and a following question-and-answer period from 8:30 to 10:00 PM. A map outlining the location of and directions to the Knights of Columbus hall at 5115 Little Falls Road in Arlington, Virginia where the dinner meeting will be held is enclosed for your convenience.

As to other considerations, it is our understanding that no fees of any kind or for any reason are expected by you as a result of your speaking role at the referenced dinner meeting, that the Arlington Jaycees will provide you with a tape recording of your remarks during both the formal and question-and-answer portions of the program, and that you are to receive all monies derived from the sale of Whitewash at the meeting provided the cost to the purchasers is \$3.00 per copy (a discount price made possible through special arrangements with the Arlington Jaycees).

We trust that the above is agreeable to both you and your schedule, and that we will be hearing from you in the very near future in the form of a written confirmation of your intent to provide the Arlington Jaycees with your views on a controversial subject of deep concern to us all.

Very truly yours,

Richard D. Smith,
Secretary

Dear Mr. Smith,

Thank you for your letter of 9/8, with which I agree. The map, too, is helpful. Haven't been over that way in years, but I used to know where it is.

That it is election day bothers me not a bit. We always vote early in the morning.

I'll probably leave here in time to get there a little early, to allow for any wrong turn I might make while my mind is on something else, etc.

Thanks for your invitation and your note. I am looking forward to being with you members and discussing this subject which is, as you say, of deep concern to us all.

Sincerely yours,

Harold Weisberg
