Henry faced <sup>and in</sup> Alex when he came into off with dependent  
"Although I had said 'I ought to find your house  
out!' had passed out. Henry told him to put it

mobile - dependent involved - 13 yrs old. A worked  
in a day, so Henry told out. good before jury  
on "misadventure murder" (2 months in jail  
flight) counterproductive puffer Fort Ruby, the  
old Henry to take over although he had not  
got of him to witness. First trip to DC real  
Mach, from Washington here. It was asked had  
had a criminal bar to see LHO & through he had  
said he had been seen by ALL. He told Henry  
to shut up, but finally decided LHO but to be  
seen by press. often used thought what they had  
had to be known. no investigation of his own. said  
what police told him, as he knew Alex in practice  
but always arrange plea. No cases to jury.

Wake 8:50 - 10:30 + Sweet 10:30 + (w James Ken, WBTP), then Sweet + Jack Faulkner to Hoop, then after lunch with Sandy Sanderson (Ch 4) until aft - 7:30 p.m.

In afternoon Sweet said everything off the record, but he did not + had not in a.m. He then (a.m.) explained LHO - informant story + then things, immediate FBI, reconstructive 11/63. Showed carbonyl + tape to Barrett + then FBI agents immediately - called Ch 4 + they went out to take pix, which were given to FBI then, not delayed until 7/64; p.m. w. Sanderson; spot carbonyl work, but quote + lead - d. like in sig (Sweet had up had dollar). They brought theory after trial that went based off (then was Sept 11/63 a.m.) Not yet FBI re. info. immediate - Smith personally there now direct. will discuss. Sanderson also here.

Henry Wake has all his business files - from Ruby case. All dates paid over intervals on Warren - involvement - said that not enough.

Said Butz in middle block (Fpton + walking) take pictures, but has his account of his planned to visit parents' knowledge. Think he means "oral" info.

Ruby transcripts on desk signed for at Sweet's govt. Sweet had all quest on neg - 2-3 hrs each day. He said Ruby really wanted to be invited to Hyannis, Pitt + Ben return to Dallas to open family report - club + be famous - sponsor not what Ruby said.

What fight with Specter - personal, not business for personal. Specter's photo, also taken to be photograph with this man who had studied + but break out of his room. photo taken when he learned I was an expert specter + years went + worked into BI office (day) when they were suspect it would have walked out with anything, as a LHO info, Asman say that was just saying advised in large number of records, negatives from which printed, 1000 sig., wrapping on chips. John wrote the story by Agall signed for The Nat Enquirer. He also wrote what you keep and sent on in Europe, was brought but not used by The Nat Enquirer. The Secret I read of Jack Ruby 1 to avoid

3: me w/ my ) got all from Willie.

He had Ruby on some film saying Johnson was  
looking at it. Thinks never used. (Johnson had  
long not worked on film with Marissa from when  
Marissa was in agent. Got / RIF? did not join  
those present.)

Karl says he was at Decker's apartment Ruby when R  
was shot. Marissa been permitted not to see by Decker.  
Says John was a character like Ruby, one he follows  
but did not know, dressed in pulled-down hat & coat,  
wounds deep in forehead (Decker says lie)

Decker dead say but when he had been, involving  
"Meredith" man in state list (which message made  
did with Marissa & would not depict her).

Says his wife would be since she was R. Also says she  
was in marriage and had married with sign saying  
"William Paul R" but Thinks this is strange because  
"hell, she didn't know what he was." Wants to find where  
this was judgment of being left with 5-yr old boy but also  
said "Why back and back to me after I set in a  
get fixed."

Now officially questioned, never asked to give statement  
about any thing, but LHO - my - Hoffman's story - quote  
notes on this line.

Says probably had Marissa some kind of memory  
one described & found out had upper teeth left and her  
mouth better fixed up.

She had speaks English & understood in English  
to Rose Arnold when she had a quest.

Talks about to separate when he was killed - says  
was to not spend any thing for so long - then she  
what would, her husband can do her for money for  
it so cheap in it all takes pressure - but in sandwiches  
for kinds of things left in bag, great and because also. Thinks  
if by her Thomsen knew the fact of it that this H.  
which were stopped - they secretly looked - but is what  
not would say + when she was when first, married, did not

3) because his eye was on the dollar, informs Tony  
about my job of tip on other side, etc  
Frank was outraged by accident at work in my report  
saying was in 5th floor

Know nothing about trumpo, putass, etc, but  
both recall what he said by case

Called to F. "Jack come look at this. It is either a  
fake or one hell of a story" re Bidme 11/11/83 event.  
I gave F a copy of the story out. I gave both my  
address.

D. Knows they under was source of that book to  
Lynnworth, said they were was deeply lost, worked  
about it, & said he know all, including financing  
arrangements. F said he'd like to know more of O told  
with comment from D. Several indications I gave to F.B.I.,  
but I did not take comment to ~~investigate~~ fit his  
effort, <sup>was pleased</sup>

It all has <sup>pleased</sup> folder of put in his ~~and~~ long desk drawer. He  
went through them to show me <sup>the</sup> ~~the~~ draft and. Very  
little in that drawer. I did, after 8 years & 1 week of which  
he says ~~he~~ he just wants to forget it. Folder about 3/4" thick.  
Looked like an 8x10 glossy.

They kept originals of all statements. Keep all taken  
immediately because stocks would soon change & be less  
valuable.

Tommy Decker quoted Sheriff even & "I was mixed up  
by Decker". It was the greatest ambition of to only what  
he was the sheriff of Dallas County

Both believe payroll of at least F. Thomas he had  
been in pay of F.B.I. (said so at least twice) and  
believes Hartig would have been leaning on him at some  
opportunity.

Met Luke Moore when I called him on to pay  
that day was only one who furnished info at T.S.P.D. &  
then not until after I delivered book job, which I did  
not question. <sup>Assist</sup> F. <sup>my</sup> did not furnish.

S was on phone to F. who called & they were

4) was about to leave with LHO. F told plan of it is what he said before W. 3 indications they also discussed other things, says only he & Fucky know (Fucky is utilized at 33, 34 & 35 & 36 & 37 & 38 & 39 & 40 & 41 & 42 & 43 & 44 & 45 & 46 & 47 & 48 & 49 & 50 & 51 & 52 & 53 & 54 & 55 & 56 & 57 & 58 & 59 & 60 & 61 & 62 & 63 & 64 & 65 & 66 & 67 & 68 & 69 & 70 & 71 & 72 & 73 & 74 & 75 & 76 & 77 & 78 & 79 & 80 & 81 & 82 & 83 & 84 & 85 & 86 & 87 & 88 & 89 & 90 & 91 & 92 & 93 & 94 & 95 & 96 & 97 & 98 & 99 & 100) to be with Ross given in cases he handled, according to Wade) said nobody ever asked him about it, Goulben had put him in by some, S. says. Wade remembers Goulben probably & asked where he now is.

Sandy & S day ally, was in TSB D. Sandy was two blocks away and says that when he got to TSB D & tried to go in he was "jostled out - physically". He says he was thrown down all those steps & hit the pavement first - stop.

Under world had broken in spring in his area & tried to force honor Sandy, but Sandy wouldn't bend it to him.

In the profit's <sup>name</sup> Jewett is deadinger for J F Dulles. but being funny like full face radio

Buddy Walters had only 3 bullets in his gun & had fired 2 before he was killed by man in bed with his own gun, not W's. Man "uptown" appealing death sent as a.

W not alone, part was also wounded. Can't explain why W had only 3 rounds in weapon

Claims now were about 50 groups planned to kill JFK when I said there must be 4-5,000 there a year he said he was talking about groups that actually plotted it. Give no explanation or details. When I asked if he knew of Boston young Republicans who were unscripted & met there some weeks ago, <sup>in Philadelphia</sup>

Both unscripted - last 2 shots close together & can still hear them - will never forget. Both think 3rd missed.

Both think 2 Ho did shooting but consider conspiracy possible.

" believe Sandy's story Paris hadis secretary. R is with J who I suspect (?). I asked he to make appointment with him.

5)

P. has no use for letters & considers them deadweight.  
Did not know he is now Phila. D. A.

I said he saw copy of letter out of red envelope by a  
Washington Post in some bag hospital. I think he  
means proctor.

Walt did not like LBJ. did ~~not~~ like J.F.K. He would  
take care if he had somebody to clear, but ~~he~~ would not  
without a person to clear
