dolng to tell you blout end unz we cen sea 1t.
I have had a succiel finn rade．Ihe is not yot omp－ lated．Laci frsme is duplicated five times，so it resily slows the ection donn．It is tuis tust I stualec，or rather，the completed part．And it is very clear．Roslly．Both this film and whet I say．
There is a atrons ond Visible resction by JFZ bofore te diss pears behind the sien．Paere is sbsolutely no doutt obout it． Lis arms go up，fust aa you＇i expect from the appessancebcincine 225 ，snd he viaible unchea forward before dignopermb ond after thia armotion beeins in a woy tust sucgeate to my ollobnretor tatat it could be the iapect of onnthor enot，to the beck．is of no．，I do not scree 列tL this，but 1 ulso concede the auspicion is not zithout Gerreato Horeover， 71 the wint was officieily avellable，it is not poseiblo tula zes not offlcially knom．Goine slone wita t．is，wat I asve seid qui written of تlllis＇motions snd timine with \(Z\) is nov clearer than over．You een see two canere cone dtan iron hia aye before the gats to the frame line．
Another tainge－5：d apre I＇ra not solling about wat can be secn in the poor copy that meny have－tane 1a enother anlice is the oricinal，better done ton tae noe I exposed in \(\%\) ，ruç bet－ ter．It takas an expert to spot，but once epotted（oni I dian \(t\) do tingt），ím obvinus．It 18 of gnch a caspocter taet it olsc tells us othor tisinge（not about the sesessiaetion，but the fing and its and－ line－of Wifch I＇vo learned mucis anywey）．Laia i－avirely co naistent Nith wat you moy recall 1 wve of na orrlier bit in FM．nee thia aplica is soen，othar proofe of ita exiatance become cbvious．ang guese and tast of mpexpert \(i\) tia \(t\) two frames ore gene were．I sk you to keep tuis all to yourselves Pos several gond reasonse thist \({ }^{+}\)a ve is to clear co clas I kevo clear blomups，14゙．I beg Foul，egain，to keod wiat I om not elong in telling him．I now now much moxe about the explozion． Tuatils ong i heve this size．．．I＇ve deen eakinc liary and cul about anotuer film．If twit i．a to ba dene，it muat be done very coon or it cannot bo secora liahed．．．iater iremee of 2 obor sonething unidentified but aome rind of motion，in brorn ond liks carome，st skout the 台bm Bta paline fros twe corner，fov o couple of fromes onlye＂e now wew wapt ge heve sever abd sceess to sfter 334 ．Ials，ton，is uncrapleted．```
