

MEMORANDUM

Jnt

March 31, 1964

TO: Mr. J. Lee Rankin

FROM: Arlen Specter

SUBJECT: Outline Of Suggested Questions For Governor John D. Connolly

In formulating the questions, I have included all topics which I think may be of interest to the Commission since, in my opinion, the Commission should have all my ideas and those questions can be deleted which are deemed irrelevant or too specific.

A. Events Preceding The Assassination

1. When, to the best of your recollection, did you first write or discuss with President Kennedy a possible trip to Texas in November, 1963?
2. When, to the best of your recollection, did President Kennedy first state that he would definitely come to Texas in November, 1963?
3. When, to the best of your recollection, were the plans made that President Kennedy would visit Dallas on November 22, 1963?
4. Where and where did you meet President Kennedy on the day of the assassination?
5. Describe, in a general way, your activities with the Presidential party prior to Friday, November 22, 1963.
6. What were your activities, in a general way, on Friday, November 22nd, prior to the time you left the plane at Love Field in Dallas, Texas?
7. Describe, in a general way, your activities in guiding the crowd at Love Field after disembarking from the plane.
8. Identify the people who rode in the President's automobile and specify their positions in that automobile.
9. Was the automobile open or was there any covering on, such as the bubble top?
10. Describe, in a general way, the noise and reactions of the crowd on the motorcade route prior to the intersection of Houston and Elm Streets.

12. Are there any special events which stand out on the motorcade trip prior to the intersection of Houston and Elm Streets?

13. The Assassination

14. Had Mrs. Connally and you been talking immediately before the shooting?

15. Had you or Mrs. Connally joined in any conversation with President Kennedy or Mrs. Kennedy immediately before the shooting?

16. Was there an appreciable amount of noise coming from the crowd immediately before the shooting?

17. Did you have any difficulty in hearing Mrs. Connally, or did she have to raise her voice to talk to you immediately before the shooting?

18. Did you have any difficulty in hearing the President or Mrs. Kennedy, or did they have to raise their voices in order to be heard immediately before the shooting?

19. At any time shortly BEFORE the shooting, did you or anyone else in the automobile have any occasion to have any conversation with Special Agent Greer, the driver, or with Special Agent Kallerman who was seated on the righthand side of the front seat?

20. If so, did any parties to such conversations have any difficulty hearing each other, or was it necessary for anyone to raise his voice?

21. As precisely as you are able to state, what time did the first shot take place?

22. As precisely as you are able to state, where was the President's automobile at the time of the first shot?

23. Please mark a photograph (to be provided) indicating, as precisely as possible, the location of the President's car at the time of the first shot.

24. To the best of your recollection, in what direction were you looking at the time of the first shot?

25. What did you think the first shot was?

26. Did you alter your glance, or what was your reaction to the first shot?

16. What movement, if any, did you make after the first shot?
17. To the best of your ability to recollect and estimate, how many seconds after the first shot did you look toward President Kennedy?
18. Did you observe any reaction by President Kennedy to the first shot?
19. What, if anything, did President Kennedy say after the first shot? (According to Special Agent Holloman, President Kennedy said "By God, I'm hit.")
20. What, if anything, was said immediately after the first shot by
 - a. you?
 - b. Mrs. Kennedy?
 - c. Mrs. Connally?
 - d. Special Agent Casper?
 - e. Special Agent Holloman?
21. Immediately after the first shot, did you observe any reaction by
 - a. Mrs. Kennedy?
 - b. Mrs. Connally?
 - c. Special Agent Casper?
 - d. Special Agent Holloman?
22. What, if anything, did you observe or hear outside your car automobile at the time of the first shot?
23. Did you hear a second shot? If so, then please answer Questions 24 through 30.
24. What is your best estimate as to the time which elapsed between the first and second shots?
25. What was the reaction, if any, to the second shot by
 - a. you?
 - b. The President?
 - c. Mrs. Kennedy?
 - d. Mrs. Connally?
 - e. Special Agent Casper?
 - f. Special Agent Holloman?

35. What, if anything, was said after the second shot by
 - a. you?
 - b. the President?
 - c. Mrs. Kennedy?
 - d. Mrs. Connally?
 - e. Special Agent Green?
 - f. Special Agent Holloman?
36. To the best of your recollection, what was your exact position at the time you heard the second shot?
37. What movement, if any, did you make after the second shot? (From the movies, you appear to have fallen into your wife's lap.)
38. What, if anything, did you observe or hear outside of your own automobile at the time of the second shot?
39. Did you hear a third shot?
40. Were you conscious after the third shot? (If so, then the general content of Questions 33 through 35 will be repeated.)
41. Did you hear anything which you consider to be additional shots? (If answered affirmatively, then the general content of Questions 33 through 35 will be repeated.)
42. What would you estimate was the speed of the President's car at the time of each shot?
43. What is your estimate on the distance traveled by the President's car from the first until the last shot you heard?
44. What was your impression, if any, as to the source of the shots?
45. Did you observe any bullet or fragment strike the windshield?
46. Did you observe any other bullet or fragment in the air or the car?
47. Do you believe you were hit by the first shot or second shot, or both?
48. What are your reasons for your answer to the preceding question?
49. Do you believe that one bullet caused all the injuries you sustained in the shooting?

- 5 -

30. Did the bullet pass through the dorsal (backside) of your wrist, or the volar (front or palm side) of your wrist?
31. What is your reason for your answer to the preceding question?
32. As nearly as you can recollect, please give your best position you were in at the time you were struck by the bullet in your back.

2. Post-Assassination Events

33. If you were conscious and have any current recollection, describe the pain or other sensation you experienced immediately after the shooting.
34. If you were conscious and have any recollection, describe the trip from the assassination scene to Parkland Hospital.
35. If you were conscious and have any recollection, describe the action taken by the hospital attendants in removing you from the President's car and in taking you into the emergency room.
36. Do you know whether there was any bullet or bullet-fragments which remained in your body or on your clothing or you were placed on the emergency stretcher at Parkland Hospital?
37. Describe, in a general way, all post-shooting events until you were rendered unconscious by the bullet or the anesthesia used in the operation.
38. Describe, in a general way, the operations which were performed on you at Parkland Hospital.
39. Describe, in a general way, your treatment and examinations at Parkland Hospital following the operations.
40. If you care to, please comment on the status of your recovery at the present time.

3. General Information

41. Were there any events or occurrences either before the trip to Texas, during that trip or after that trip which shed light on the facts surrounding the assassination of President Kennedy?
42. Were there any conversations involving you or anyone else either before the trip to Texas, during that trip or after that trip which shed light on the facts surrounding the assassination of President Kennedy?

- 5 -

23. In the light of the function of this Commission to investigate the assassination of President Kennedy and its historical significance, are there any other facts which you consider relevant or helpful to our inquiry?
