Call ended 9 o'clock 8/29/67. He has
regular desk 330 on Side Bar today
Congress, invited me to drop in on him now.

I asked him if the "furniture" song he
did had might be the last strip being
was passing around on the hill
is he did his song & he said "Caly,
yes, as though in a split moment."

His alleged purpose in calling was to
inquire for data on Hearst & P. H. H. H. H.
of a certain that seen in American
history. Suggested that he check copy-
right. Suggested that he check copy-
believeable what he said he could find.

Told me deal with Wayne. Was in town
