FAKE, the forged photo that framed Oswald.

For more than 25 years photoanalyst Jack White has studied the famous "backyard photos" of Lee Harvey Oswald and has proved without a doubt that they are clever forgeries used to incriminate Oswald by planners of President Kennedy's execution. White served as consultant to the House Select Committee on Assassinations because of his expertise in photography and photoanalysis, and testified regarding his research on these mysterious photos. World-famous photography experts have called his analysis "brilliant!" Now you can judge for yourself whether these photos are real evidence...or fake.

50 minutes, VHS only.

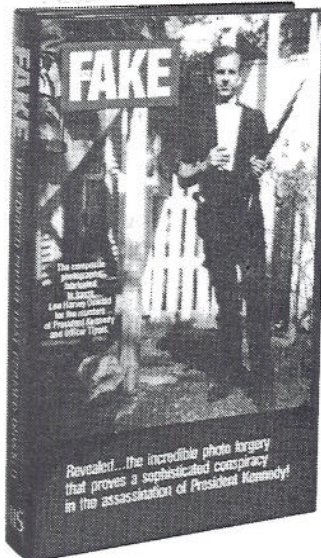

Produced by Jack White from his original research. Script and direction by Jim Marrs.

Now in production...

THE MANY FACES OF LEE HARVEY OSWALD Unmasking the secret agent framed as Kennedy's killer!

His cover blown by his arrest, Oswald justly said, "Now everyone will know who I am." This video will reflect Jack White's 25-year investigation of the identity of Oswald. When you see White's startling conclusions, you too will know who Oswald really was. You will see new proof of a second "patsy" and his relationship to Oswald and learn who fabricated the "backyard" photos. The video will reveal a world of secret agents, false identities, photo forgeries, and official misconduct which has misled the public since 1963. Send no money now, but please let us know if you may want this video when it is available... so you can judge for yourself, "Who was Lee Harvey Oswald?"
