Dear Mr. White:

Your indebtedness of \$228.51 to the United States is again brought to your attention.

If a remittance is not received within 30 days, this office has no recourse but to refer your case to the General Accounting Office of the United States. That office has the responsibility to take further collection action and, at their discretion, reference will be made to the Department of Justice.

Remittance should be forwarded to the Commandant of the Marine Corps, Code CDB Settlement Unit, Washington 25, D. C., payable to the MARINE CORPS DISBURSING OFFICER.

Sincerely yours,

Mr. Roscoe A. White

Paris, Texas

Dear Mr. White:

Receipt is acknowledged of your letter received 28 June 1963 relative to the overpayment in the amount of \$228.51 made incident to your service in the U. S. Marine Corps.

The procedures followed by this Headquarters are based on regulations established by the United States General Accounting Office and we are not permitted to postpone collection action indefinitely. We appreciate your position in this matter, and it is our desire to assist you in any way possible to liquidate this indebtedness without undue hardship. Existing regulations provide that amounts due the government may be repaid by reasonable installments. In consideration of the information contained in your letter, regular monthly payments of not less than \$20.00 per month are acceptable to this Headquarters. Your first remittance is expected within 30 days of the date of this letter.

Remittance should be by check or money order, made payable to the Marine Corps Disbursing Officer, and forwarded to the Commandant of the Marine Corps, Code CDB, Settlement Section, Washington 25, D. C., for proper disposition. Please enclose a copy of this letter with your remittance.

Sincerely yours,

Dear Sir:

In regards to your letter  
of June 12, 1963,

I am unable to meet my  
obligations to the government  
as of now. However, we could  
make arrangements in making  
monthly installments until it  
is paid in full. Or at some  
later date I would be able  
to meet my obligations in  
full.

Yours truly,  
R. A. White

12 June 1963

Mr. Roscoe A. White

Paris, Texas

Dear Mr. White:

An audit of your pay record has been made by Headquarters, U. S. Marine Corps, and shows that you were overpaid \$228.51. It is the duty of this office to effect collection of this overpayment and return the money to the Treasury of the United States. An explanation of the overpayment follows:

Members are not entitled to pay or allowances while on leave in excess of advance leave. Records show that you were on leave in excess of advance leave during the period 3 through 25 November 1962. Checkage of pay and allowances in a total amount of \$106.38 was charged against your account just prior to discharge. In addition, you were overcredited mileage allowance from San Francisco, California to Dallas, Texas in the amount of \$99.72. As you received your orders in Paris, Texas, entitlement to mileage allowance existed only from Paris, Texas to Dallas, Texas. In the closing and adjustment of your account at the time of discharge funds were not available to completely liquidate the above amounts and you were overpaid \$209.71. In addition, examination of your records by this Headquarters disclosed that through error your account was short-checked \$8.10 pay and allowances for the period 17 January 1962 which was also leave used in excess of advance leave. Also, your account was short-checked leave rations for excess leave taken during the period 21 through 30 January 1962 in the amount of \$10.70. As a result of the above discrepancies you are indebted a total amount of \$228.51 which is due the United States.

It is requested that the amount overpaid be forwarded to the Commandant of the Marine Corps, Code CDB, Settlement Section, Washington 25, D. C. Payment should be made by check or money order payable to the Marine Corps Disbursing Officer and enclose a copy of this letter with the remittance. The copy will enable easy identification and will insure prompt credit to your account. The enclosed envelope does not require postage and is furnished for your convenience.

CDB-7-7200-1  
1666 106

An immediate reply will be appreciated in order that this indebtedness  
may be cleared with the General Accounting Office of the United States.

Sincerely yours,

R. S. SASSER  
Lieutenant Colonel, U. S. Marine Corps  
Head, Marine Corps Examination Branch

*Off White is inexperienced in the billet of asst. operations chief. He is working hard to become proficient. He handles the men well, and tries to teach them what he knows and also spends additional time in learning himself. He is not as sure of himself at times as he should be but I believe he will overcome this with experience.*

**SECTION D. (To be completed by reporting officer). This space may be used to record additional information that would further classify the noncommissioned officer's performance and qualifications.**

This report is submitted as a "not observed" report. Sgt. White only recently attained his present rank and shortly thereafter left for CONUS on emergency leave. This period of about 20 days is not considered sufficient to determine a fair appraisal of his performance or his potential. Therefore a "not observed" report is submitted.
