ATTN OF:

CSG-R

1 November 1962

SUBJECT:

Sgt E-5 Roscoe White

TO: Whom It May Concern

Dear Sir:

in early January 1962, had surgery which was done at a non-military installation. Since that time has had continued difficulty and it would seem that both surgery and probable long term medical care are essential. Sgt. Roscoe has been away from and home because of military duty; if at all possible consideration to this matter in regards to re-stationing in an area local to Dallas or even possible consideration for hardship discharge should be considered.

Sincerely yours,

J. C. Burkman

The service record of Corporal White indicates that he failed the GMST administered in January 1961. He states that through an apparent administrative oversight he was not administered the CHARLIE test in April 1961, while a member of your organization. He was enroute Staging Regiment, Camp Pendleton during the ALPHA testing period in August 1961.

His conduct and duty proficiency markings of 4.9 and 4.8 respectively, indicate that he is qualified in that particular respect for promotion.

Your evaluation as to whether his General Military Subject capabilities, as shown during the period 23 February 1961 until 15 July 1961, warrant a request for waiver for testing, as justifiable, in accordance with the reference.

The succession of eligible survivor's as set forth in the "Servicemen's and Veterans" Survivor

Benefits Act," P. L. 881—84th Congress, is as follows: (1) Spouse; (2) Children (without regard to their age or marital status) in equal shares; (3) Parents or brothers or sisters (including those of halfblood and those by adoption), *when so designated*; (4) Parents in equal shares; or (5) Brothers and sisters (including those of halfblood or those by adoption) in equal shares.

NOTE:

The payment to either category (4) or (5) is in the event that a designation is not made under category (3).

The term "parents" includes "natural parents," "stepparents," "adoptive parents" and persons who stood in "loco parentis" to the designator for a period of not less than 1 year at any time prior to the designator's entry upon active service.

Item 17.—Enter name and address of the beneficiary or beneficiaries whom you desire to receive any unpaid pay and allowances (Arrears of Pay) due you at the time of death. There are no restrictions on who may be designated as a beneficiary or beneficiaries to receive unpaid pay and allowances and once a designation has been made it is binding until superseded by the completion of a later DD Form 93-1.

Item 18.—The "Missing Persons Act" provides that pay and allowances continue to accrue to the pay account of any service member for the period he is missing or captured and may be paid to the dependents for support. This item reflects your desires and is used as a guide in the disposition of your pay. Allotments to dependents and insurance companies initiated prior to entering a missing status are continued in effect unless unusual circumstances indicate changes.

Item 21.—The person assigned, by the commanding officer, the responsibility for interviewing the designator will, upon completion of the form, witness the designator's signature and sign in block 21.
