

DEPARTMENT OF THE NAVY  
HEADQUARTERS UNITED STATES MARINE CORPS  
WASHINGTON, D.C. 20380-0001

IN REPLY REFER TO:

5720  
MI-3/0705

22 OCT 1991

Mr. David B. Perry  
4501 Ainsworth Circle  
Grapevine, TX 76051

Dear Mr. Perry:

I am responding to your Freedom of Information Act (FOIA) request for a copy of the military and medical records on Mr. Roscoe A. White. You also requested the names of individuals and the date of their request who previously were provided this information.

The enclosure contains all releasable information contained in the Official Military Personnel Record (OMPF) and medical record of Mr. White. Personal information pertaining to the next of kin and other living individuals in the records of Mr. White is exempt from disclosure under 5 U.S.C. section 552(b)(6) of the FOIA. Specifically, it exempts from disclosure information in personnel and medical files, as well as information in similar files that, if disclosed to a member of the public would result in a clearly unwarranted invasion of personal privacy.

There were two disclosures of the military records on Mr. White. The date of the first request is unknown. The date of the second request was August 7, 1990. I am withholding the identity of the requesters also under the provisions of 5 U.S.C. section 552(b)(6) of the FOIA, to protect the personal privacy of those individuals.

Because your request has been partially denied, you may appeal this decision to the Judge Advocate General (General Litigation), Navy Department, 200 Stovall Street, Alexandria, VA 22332-2400. You must submit the appeal to that office within 60 calendar days from the date of this letter in order to be considered, and attach the duplicate copy of this letter. I recommend that the letter of appeal and the envelope both bear the notation, "Freedom of Information Act Appeal."

I waived the cost for processing your request under the current provisions of the FOIA. I am the official responsible for the partial denial of your request.

Sincerely,

R. L. CARTER  
Colonel, U.S. Marine Corps  
Director, Manpower Management  
Information Systems Division  
By direction of the  
Commandant of the Marine Corps
