## INSTRUCTIONS

(Items for which no instructions are printed below are self-explanatory)

IF NECESSARY, CONTINUE ANY ITEM IN "REMARKS" BUT SPECIFY THE PARTICULAR ITEM BEING CONTINUED.

All items of this form MUST be completed and MAINTAINED CURRENT by all officers and enlisted personnel in accordance with the following: NAVY—BuPers Manual, Art. B2312; MARINE CORPS—Par. 4019, PRAM; U. S. COAST GUARD—Personnel Manual, Par. 13-B-14.

In the event you, the designator, should die, the persons or agencies named in items 10, 11, 12, 13, 14, and 19 will be notified unless item 15 shall indicate a person or persons NOT to be notified.

Should you become critically or seriously ill, or incapacitated to the extent that you cannot notify them, the persons named in items 10, 11, 12, 13, and 14 will be notified unless item 15 shall indicate a person or persons NOT to be notified.

Payment of any benefits and disposition of remains in case of death shall be in accordance with applicable law.

*Item 10.*—Enter full name and address of wife or husband. For wife, use given names, for example, "Marion Elizabeth Dawson." If the designator is single, divorced or widowed, so state.

*Items 12 and 13.*—The term "Father" and/or "Mother" shall be interpreted to include "natural," "step," "adoptive" and person who stood in "loco parentis" to the designator for a period of not less than 1 year at any time prior to designator's entry upon active service.

*Item 14.*—In the event that there is no other adult next of kin other than those named in items 10, 12 and 14, you may name a friend here. However, if a friend is named, he or she must be so identified.

*Item 14a.*—Enter under this item, the names of those persons who are in fact actually receiving more than 50 percent of their support from the designator. The information thus furnished shall be used in connection with other determinations of dependency under existing or future laws.

*Item 16.*—Enter the name, address, and relationship of beneficiary (or beneficiaries) whom you desire to receive the 6 months' death gratuity in the event you are not survived by a spouse or eligible child(ren). The succession of eligible survivor's as set forth in the "Servicemen's and Veterans" Survivor

Benefits Act," P. L. 881-84th Congress, is as follows: (1) Spouse; (2) Children (without regard to their age or marital status) in equal shares; (3) Parents or brothers or sisters (including those of halfblood and those by adoption); *when so designated*; (4) Parents in equal shares; or (5) Brothers and sisters (including those of halfblood or those by adoption) in equal shares.

### NOTE:

The payment to either category (4) or (5) is in the event that a designation is not made under category (3).

The term "parents" includes "natural parents," "stepparents," "adoptive parents" and persons who stood in "loco parentis" to the designator for a period of not less than 1 year at any time prior to the designator's entry upon active service.

*Item 17.*—Enter name and address of the beneficiary or beneficiaries whom you desire to receive any unpaid pay and allowances (Arrears of Pay) due you at the time of death. There are no restrictions on who may be designated as a beneficiary or beneficiaries to receive unpaid pay and allowances and once a designation has been made it is binding until superseded by the completion of a later DD Form 93-1.

*Item 18.*—The "Missing Persons Act" provides that pay and allowances continue to accrue to the pay account of any service member for the period he is missing or captured and may be paid to the dependents for support. This item reflects your desires and is used as a guide in the disposition of your pay. Allotments to dependents and insurance companies initiated prior to entering a missing status are continued in effect unless unusual circumstances indicate changes.

11. SUPPLEMENTAL INFORMATION (Reduce to minimum wording—Limit text to this space)

The service record of Corporal White indicates that he failed the GMST administered in January 1961. He states that through an apparent administrative oversight he was not administered the CHARLIE test in April 1961, while a member of your organization. He was enroute Staging Regiment, Camp Pendleton during the ALPHA testing period in August 1961.

His conduct and duty proficiency markings of 4.9 and 4.8 respectively, indicate that he is qualified in that particular respect for promotion.

Your evaluation as to whether his General Military Subject capabilities, as shown during the period 23 February 1961 until 15 July 1961, warrant a request for waiver for testing, as justifiable, in accordance with the reference.

2. Corporal White exemplifies all that is desired in a young non-commissioned officer. He is forceful, understanding, and extremely well versed in his work. It is felt that had he been afforded the opportunity to have taken the test in April 1961 he would have successfully passed and have been promoted. He had a cutting score of 146 for the promotion period 61-1.
