

Appendix Illustrations

- Meaningful map of assassination area; ditto, Tippit killing scene (optional)
- Moyocade route, first page, Dallas Morning News, 11/22/63
- The Bag, Exhibit 442, showing strong creases but no sign of rifle
- The Paine garage, Exhibit 429 (17H157)
- Dealey Plaza - the Report's picture and any decent one commercially available (other illegible exhibits from the Report are desirable but not necessary)
- The Altgens picture, full negative, two pages wide, with Report's cropped version in corner showing suppression of essential evidence
- The Police (Studebaker) photo of the found rifle, showing his leg in picture (others, showing shell where it could not be, no bag where it should be, are desirable)
- Newsweek diagram following leaking of FBI report
- Destruction of evidence - signs, tree removal, pruning, etc., if clear enough
- Exhibit 399, the "unmutilated" bullet
- Secret Service fakery: the Connally wound charts (Exhibit 689, etc., 17H157). Addition of measured angles desirable
- Reconstruction photos vs. Zapruder originals
- New Orleans passport teletype (the overnight passport) (Optional)
- Copy of letter renouncing U. S. citizenship; language from passport application (optional); Marine Corps letter accompanying first passport application (optional); application for new passport in Moscow (optional)
- Autopsy: Exhibits 385, 386 vs. original autopsy chart; altered autopsy draft; regular official autopsy form (blank - none used)
- Copies of Markham tape transcription showing perjury vs. testimony (optional)
- Oswald when captured - hair not in disarray (optional)
- Frame 225 (optional), showing President's degree of reaction, Connally's position (optional)
- The boxes in the window (Willis, Dillard, police - optional)

Appendix illustrations - 2

Men standing and sitting at the window (optional)

LIFE shot of reconstruction with wide open window (Optional)

McClelland's handwritten report (fatal injury, left temple wound - optional)

TSBD second-floor chart (optional)

Zapruder shot of President's position when hit in head (optional)

OSWALD AUTOPSY CHARTS
