Dear Hal,

"Sorry but my copy of 'Murder From Within' went up in the fire that destroyed my house.

Thought Fitzek's reply to Verb, the tributes to Penn would interest you.

Regarding Turner's article, General Escalante was a source for Claudia Furiati's awful book, 'ZR Rigle'.

"General Escalante used 'Double Cross' as a source!"

(GLOBE+MAIL)  
You addressed Dr. Reid and Saundra Spence in Post Mortem.  
(THE GLOBE)

R.F.K. took the position Oswald did it as per Lester David's enclosure.

Haynes Johnson wrote that R.F.K. called ~~him~~ and said, "one of your guys\* did it". Washington Post 11/20/83.

\* meaning anti-Castro Cubans

R. F. K. asked McCona if  
The CIA did it. Schlesinger.

Richard Goodwin said  
on T.V. that R. F. K. speculated  
on The Mafia and "that Mob  
guy in New Orleans."

So he <sup>took</sup> all the major  
theories.

The X Files story  
in The N.Y.T. shows how 11/22/63  
has entered into pop  
mythology."

Stay well.

Sincerely,  
E. Williams
