Dear Harold,

From my recollection of the Barnaby Show on 3/18 there was extensive editing. However, Barnaby did state that Foreman had refused to appear on the Show with Harold, Weisberg. Ambiguity caused this point. The point was stated, not reversed.

Quotance recitation was turned out. Harman was radical

used. Many teenagers
to their lower cut.
On the surface
the spreading was
not detectable.

From the
clearing woods of
Barnet, another such
show was produced
and it was, I see,
quite different from
related ones.

Best Wishes,
