Dear Ed,

I can do no more than acknowledge with thanks your undated not enclosing the clip from PW and that of the 13th, which is interesting. I'd like to be kept as posted as possible on Frank's appearances, if only to keep Ray informed but more for my own knowledge. The show you mention is unknown to me. Good for Jerry. I hope his tape recorder was working and that he taped it. You may or may not be aware that your brief mention of what he said seems to indicate what I've suspected all along, the closest official connections. If Jerry has a tape, I should have it for the lawyers consideration. Not that there is necessarily anything wrong with precautions, but with publicizing them for the commercial benefit of another or engaging in propaganda that can frustrate the rights of the accused. If and when you know of these things in the future, I hope you can tape them for me because even if Jerry does, sometimes his machine fails and sometimes there is need for a dub, as in this case for the lawyers. Thanks. HW

Dear Harold,

This enclosure from  
P. Weekly is endemic.

At this stage the  
popular, even sensational  
approach may be the only  
way open to get out the  
truth before The Curtain  
Falls.

"The reason why the  
"Assassination issue" is  
not viable media wise  
appears to be I - Few believe  
the no conspiracy routine  
~~routine~~.

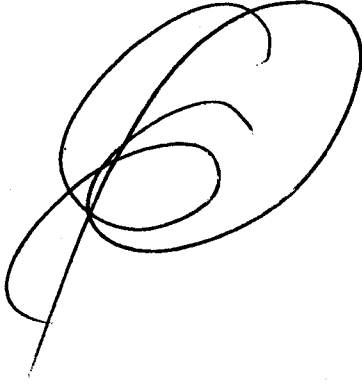

II Few can perceive  
the context of the acts.

Thus, the impact is  
lost.

Your material can

open up that frame  
of reference.

Besides, it's a  
great commercial property  
and you deserve the  
success.

Sincerely,

Dear Harold,

Frank on Artie S Row - 10-12.  
Frank - In no case in history  
has there been a plot in  
a murder case. The only  
tangible thing we have is  
that Ray did it. Trying to  
make name for himself like  
Orwell. Conspirators would  
not have chosen Ray, not  
a yoko. The fact Ray claimed  
a conspiracy evidence of no  
conspiracy. Trying to interview  
Ray. Ray monitored 24 hours  
a day in jail. His mail  
copied - Xeroxed - and given  
to Ray to prevent any trans-  
mission of invisible writing.

Jerry called in and  
Frank became evasive.

This misinformation/  
propaganda is on the  
level of Orwell but

You should not let it  
direct you from Tiger.

The issue no longer  
is Dallas, Memphis, or L.A.

The issue is America.

The Tiger presentation could  
reveal what makes the  
Conspiracy of Assassinations  
possible.

Best Wishes,
