Dear Harold,

Unbelievable Capp" on " for
next week as per N.P.

Om Capp: an unethical Puma.
Sarcastic. Insulting. A gutter
type. Will try to rattle and
goad you. Stay cool and
address yourself to the
audience not to Capp. Brush
off his jokes and insults
and say what you want
to say. Always the audience
and never Capp.

Steve may get The D.C. spot.
I'll see him on Sunday.

Perhaps The H.R. works too
good, as was Sylvia's book,
for attention. I hope the
Hattimer leak won't kill
it prematurely.

E. J. Berg: surprise but you'd
for his possession of the papers
was known long before their
publication and his views

on the war were no secret,
either.

Sahle in New York for
upstairs at Downstairs appearances.
Has been on all the talk
shows.

Has adapted U.S. thesis
of evil CIA, evil Pentagon.
Total N.G. loyalty. Attacked
Shaw, also.

You've got to like Mott
despite himself.

If you've got any good
Maken-Hughes stuff, it
should be good for an
article.

Look forward to seeing
you.

Sincerely,
