Dear Harold,

I note the new edition of E.A. Ray's "Special Material" by Stephen Fosse.

Like the newer man with his pistol, the umbrella man, or Nixon! Lane handles himself well. He knows audience reaction.

Erwin conceals the dropped Pentagon spy ops because of National Security!

Wallace must be stupid to appear with Nixon.

The tape of Nixon's call to Colson, a call which caused Colson to ask Hunt to set up a Bremer break in, seems vital - yet unmentionable.
