

LOYALIST COLLEGE OF APPLIED ARTS AND TECHNOLOGY

5/9/73

Dear Harold,

Sally or N.G. are the
very soul of Pearson compared
to Spolnick!

of ~~the~~ The crash - like that
of ~~the~~ Hugh Wood or
Ted Kennedy - is provocative
but not in the same
context.

In sense another
Whitewash i.e. Watergate.

Will the committee
dig into the background
of Hunt or the Cubans?
What about the source
of Bremer's funds, never
explained?

I could go on and
on but the Democrats
can't afford to put
it all out front.

"This is called being
The loyal Opposition".

Your 5/9: Can't picture the conservative Senate
Committee looking into the backgrounds of those
good conservatives who just happen to be Cubans and
CIA. They'll reason, suppose they had been black,
would we find that relevant? No, not racists, there-
fore irrelevant. Wrong too much. HW 5/14/73
