

LOYALIST COLLEGE OF APPLIED ARTS AND TECHNOLOGY

Dear Harold,

Very likely the CIA's D.O.D. had you on mail watch, phone tap etc. I, myself, had mail "problems". The overt nature of this is not unintentional but a "psywar" play. My CIA friend was/was D.O.D. An artist, a child prodigy, a genius, he was on the verge of doing a book with me but withdrew for various problems. How much he knows of merely suspects I can't say.

According to him:

"Orswaal, CIA, anal not a 'minor' agent"

CIA gave W.C. "white-washed" files

CIA had massive files on assassination

On Orswaal Garrison has the "Union friend".

Very cryptic!

I always suspected

Turner. Why?

Turner originally supporter
of W.C. in Sage.

Left F.B.I. in "deep
dipping" style to give him
entire to left.

Always moved N.G.
toward "rape" far right
groups.

Set up Bradley.

The Climax - The Bailey
Plan which if activated
would have been a
catastrophe.
